~FIDDLEHEAD NEWS~

Fredericton, NB

MONTHLY PROGRAM

Wed. - May 9th: **Exterior Lighting Tour- 7:30 to 11:00pm**

7:30pm to 9:00pm

Come out and start the evening with a Social Gathering at the Hilltop.
(2 complimentary beverages provided).

9:00 to 11:00pm

At dusk, we will gather at 564 Prospect Street (RSEI office) where a motor coach bus will be waiting to take us on a tour of the Fredericton Area where we will view and discuss lighting utilized at various sites throughout the City. Discussions will include installations which have worked well and those which have not due to design problems, installation problems, and/or maintenance problems.

This is a great chance to meet with your peers and tour several different exterior lighting designs carried out by various firms within the Industry.

Wed. - May 23rd: **Industry Tour to be held at Bird Stairs**

5:00pm □ 7:00pm

A hands-on tour of a variety of equipment, products and tools required in the electrical/lighting industry

A complete tour of the stockrooms will provide information on products ranging from wire, connectors, LB's to the fixtures themselves.

This is a great chance to see and discuss the physical limitations of lighting installations and things to be considered when preparing an electrical/lighting design.

Pizza & Pop will be provided: 5:00pm - 5:30pm - Prior to Tour.

Confirmation: (T) 451-0005 (F) 451-2211 or Email: tmcdade@rsei.nb.ca

(Please call, fax or e-mail your reservation so that we may plan ahead.)
